# ASSOCIATION «HEART INVITATION»

Our company WINGS 4 SKY GROUP is developing in many directions and one of them is a fund for support of orphanage and people with disabilities.

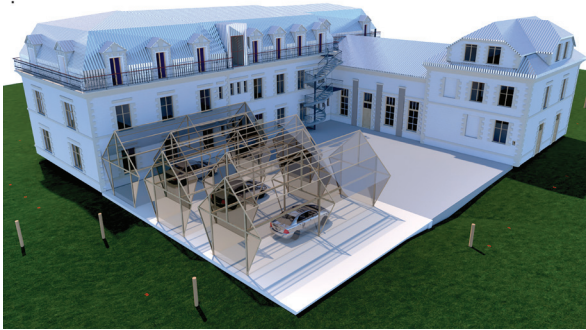

«Heart Invitation» is an organization that helps children from low-income families, children from orphanages, seniors and people with fewer opportunities in Tukums and Engure districts, in collaboration with the parish social services. It is a relatively new and still small organization that wants to help those who need it, making their daily lives a little bit brighter.

The Association «Heart Invitation» does not have administrative costs, every cent is channeled to help assistance. We are sincerely thankful to every contributor and volunteers, undertaking which provides its assistance to both materials and labor.

One of the popular areas for investment - is tourism. It is one of the most attractive areas in terms of investment. Most people invest in hotels with the intentions of making a profit.

This interest for investment in land property stands for the further individual building accommodation, and as an investment project for the construction of commercial properties or apartment building for subsequent sale and other options.
